The Lexicon of Hospitality

One of the defining features of Hotel is its rich, industry-specific vocabulary that has come to be associated with 'Hotel English.' This lexicon includes terms that are technical, procedural, and colloquial, often used by hotel staff and management to ensure smooth operations. Some key categories include:

- Front Desk Operations: 'Check-in,' 'check-out,' 'reservation,' 'key card,' 'guest registration'
- Room Service and Housekeeping: 'Turn-down service,' 'housekeeping schedule,' 'complimentary amenities'

The characters, ranging from bellhops to managers, use language that is formal yet approachable, often peppered with industry jargon that reveals their roles and expertise. This linguistic realism enhances character development and immerses readers into the hotel's operational rhythm.

For example, a front desk clerk might say, 'Your reservation has been confirmed; we've allocated a deluxe suite for your stay,' illustrating professionalism and efficiency. Meanwhile, a bellhop might casually inquire, 'Can I assist with your luggage, sir?' demonstrating courteous service language.

This duality makes the novel educational for industry insiders and engaging for the general public.

Furthermore, Hailey employs a third-person omniscient style, allowing insight into multiple facets of hotel life—staff, management, guests—each with distinct linguistic nuances. This multiplicity enriches the 'Hotel English' depicted in the narrative, illustrating the layered communication within a hotel environment.

Thematic Analysis: Language as a Reflection of Industry and Society
